"Educating young people for active and responsible citizenship"

~~ PRINCIPAL'S REPORT ~~

Year 12 2020

Congratulations to Year 12 for their successful completion of thirteen years of schooling under the most challenging conditions this year. It was a week of celebrations with Higher School Certificate examinations wrapping up last Wednesday followed by the Year 12 Farewell Assembly being held in the MPC on Thursday 12th November. This was the first occasion that Covid-19 guidelines allowed for groups of parents and carers to be onsite which was a real pleasure. Thank you to our technology classes for their supreme effort in catering for this special event with 200 plates of delicious morning tea being made and served by our talented young chefs.

Year 12 and staff also attended the Graduation Dinner on Friday 13th November which was a really lovely evening. Students looked magnificent in their formal attire. While COVID restrictions changed the way in which the event proceeded, we were grateful that we could celebrate this occasion which looked uncertain earlier in the year. Hopefully parents and families were able to share in the event via our facebook livestream.

Thank you to all the staff involved in organising and running both events and best wishes to Year 12 for the next chapter. This group has especially demonstrated their strength and resilience and will no doubt go on to do great things.

Compact Girls Program

Our Compact girls Leap and Legends groups will have their great achievements honoured today, 16th November, with a Graduation Ceremony being held in the MPC and a morning tea following. The Compact program aims to empower our young ladies to develop self-awareness, resilience and strategies to build positive self-esteem and positive relationships. A huge thank you to Dana, Ruby and the Compact crew for their support of our school and for travelling from Wagga every week to work with our girls. Our participating students have been nothing less than stellar with their effort and commitment to this program and we are very proud of them.

NAIDOC 2020 Celebrations

This year's NAIDOC Week theme is *Always Was, Always Will Be. Always Was, Always Will Be* recognises that First Nations people have occupied and cared for this continent for over 65,000 years. Leeton High School will hold an assembly on Wednesday to mark this very special occasion featuring our fantastic Aboriginal dance group, the cooking of traditional foods, Aboriginal arts and crafts and Indigenous games and activities. We will also partake in a BBQ at lunch time.
