Alternatively mail can be left in the P&C box at the school office

An invitation to you

The P&C provides a platform for parents and citizens of the community to contribute to the school and enrich the school environment in any way they can. It provides an opportunity to discuss ideas, concerns and find out what is happening. It is a great place to meet others involved in the school, and to develop relationships that last beyond the school gate.

The P&C consists of a small dedicated group of members. Some form the committee whilst others support during various P&C activities. All contributors are valued. We would like to extend an invitation and welcome to anyone who would like to join us.

New to the school?

Moving from primary school to high school is a big transition, not only for the students but also for their parents, families and carers.

High school is different in that the students are encouraged to be responsible for the dissemination of information to parents. In reality this often does not occur.

There are several ways you can be informed;

- Join the P&C Association
- Follow LHS on FaceBook. There are several different FaceBook groups that cover particular activities eg. Performing Arts etc.
- Read the LHS fortnightly newsletter.
- Check out the Leeton High School website <http://www.leeton-h.schools.nsw.edu.au/>
- Ask for any notes from your student. They may have them but 'forgotten' to give them to you.

How parents, families, carers and the community can get involved?

- Join the Parents and Citizens Association. We meet in the school library on the fourth Tuesday of each month at 7pm. This is a great place to meet others and to find out what is happening in the school community.
- Volunteer to assist. Volunteers are often sought for school carnivals, transport, catering and P&C activities. We are collating a list of volunteers that we can contact directly. If you would like to be part of this list contact us and provide an email, or mobile number if email is not available.

What does the P&C do?

The P&C performs several functions including;

- Providing a platform for the school to find out what the expectations, values and ideas of the community
- Fundraise for school resources, programs & events.
- A place for parents, carers and community to meet and socialise.
- To operate functions and events such as the canteen and LHSFest.

Activities in 2019 just so you get an idea.....

During 2019 the P&C was involved in running the popular LHS Fest, participated in the IGA docket collection, provided food/drinks as Shine, MADD, Light Up Leeton and held a street stall. In addition, the P&C run the very successful canteen used by staff, students and visitors.

The funds raised by the P&C were used in many ways including;

- Commitment to the Student Wellbeing Support Program
- Purchase of new Interactive Whiteboard for library
- Purchase of luggage trailer to be used on school excursions and events
- Support to various individuals and teams competing at a high level
- Contributing to the Awards night
