LOCAL EXCURSIONS AND OTHER SCHOOL OFFSITE ACTIVITIES

Dear Parent/Guardian,

At times your child may be required to leave school grounds to take part in certain activities or learning experiences available offsite to enhance in-school learning. Students may participate in such activities as a specific group or class under the supervision of a staff member. Offsite learning may take the form of, for example, a Geography field study at another location in town or a visit to a local organisation or business as part of an educational program.

I, _____, **DO/DO NOT** give permission for
_____ in Year _____ to leave school grounds under the
supervision of a staff member for educational purposes.
